The header image shows a dramatic sky with a bright yellow lightning bolt striking through dark, stormy clouds. In the bottom left corner of the header, there is a white rounded rectangle containing the 'Vive' logo, which consists of the word 'Vive' in a sans-serif font with a yellow 'V' and 've' in black, and the tagline 'Live. Strive. Survive.' in smaller text below it.

# ABOUT

Vive strives to provide dependable, fast chargers at competitive prices that deliver customer satisfaction. We aim to create the most efficient chargers in the Virtual economy in order to keep our users connected long past the failure of their initial charge. These chargers will be affordable, trustworthy, and will give our customers the confidence that their phone can be recharged at any time. Vive makes use of the latest technology to create high quality products that are durable and exceed the life of our competitor's products.
