INK.FINITY

Ink.finity is a t-shirt company that provided tie-dyed t-shirts, sweaters and blankets that show your favorite team some spirit! We use natural dyed in our mixture and we are proud to be supporting the schools around our location with custom dyed t-shirts, sweaters or blankets. This company allows students to show their school spirit in a fun, creative way that looks good. Ink.finity donates some of portions earned by each single product to homeless shelters so we can help get the homeless back on their feet. You think it, we ink it!
