Since the dawn of time, when the first man walked on land, when the first cognitive thought was born, Humans had always thought to themselves, "How can I get unique and delicious Ice cream without leaving the comfort of my own home?" At Abstract Ice Cream, we've been pondering this question for years, and with the recent advent of automated drones, we've finally got our answer. We are a subscription based service that brings ice cream right to your front door, a service for the different, the unique. Those who want new strokes of flavor in their ice cream selection with flavors like *Honey*, *Hot Chocolate*, *BBQ* and our company favorite, *Steak*. Abstract Ice Cream has always prided ourselves on our ability to communicate with our customers, and as such, we guarantee to bring the greatest, unique premium ice cream right to your front door.
