Myriad Pro

Cooper Std, Arial, Mrid Pro are open-source free fonts associated with Adobe Illustrator and photoshop. All of these fonts are open sourced free fonts which are easily available for download and distributable free of charge. Cooper Std should be used for titles, headers, and subtitles. Arial and Mrid Pro are used for larger bodies of text.

V E RADIO

Company Description

VE Radio was created to help VE students enjoy their work while gaining a better understanding of the VE world.
VE Radio is a streaming online radio station targeting VE students and teachers, providing enjoyable school appropriate music and the latest VE news. We will also be selling airtime to businesses to advertise their VE products and services.
