BIG NOODLE TITLING

A generic set of capitals built on the gothic even width principle, built from squared forms and a simplified finish, Big Noodle Titling delivers excellent clarity in any medium. Big Noodle's key features are its utility and unremarkable appearance.
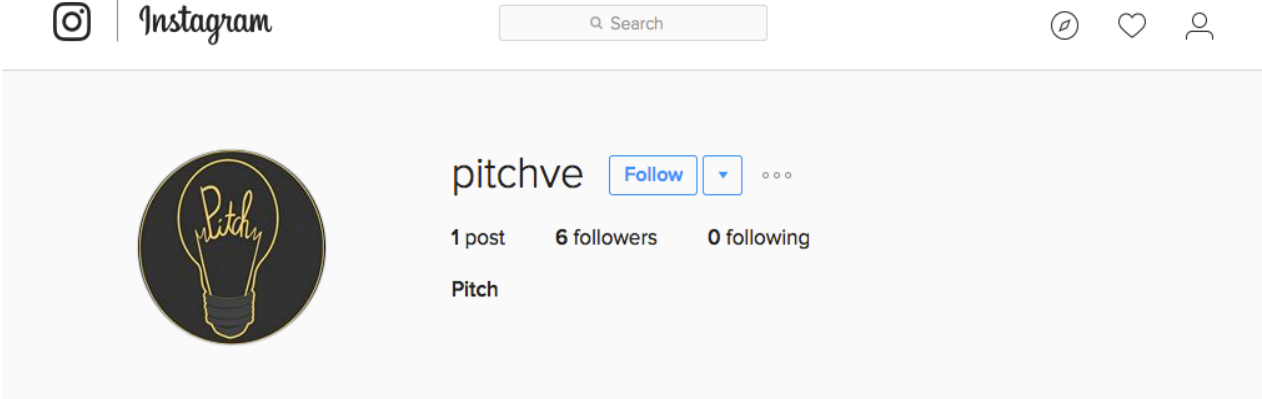

Letterhead & Company description

PITCH is a business social media, established in 2016, that allows entrepreneurs to create online sales pitches, in order to create the interaction between businesses much more appealing. PITCH provides many free and payable features that are purposed to enhance the user's sales pitch. In addition, PITCH also features the online shopping capability. Currently we are preparing to launch our app in Indonesia, and we hope that our app would be able to unite and sharpen the skills of the Indonesian business especially the youth of Indonesia.
