EVO TECH

Making the impossible, possible

EvoTech is a fourth year technology corporation located in Medford, New York. We are an schedule C corporation owned by the company employees, because we feel that having each employee holding partial ownership in the company will foster a high degree of commitment to the company, its products, and its customers. We are all dedicated to the improvement of our customers' daily lifestyle. Our state of the art research and development department is on the forefront of many technological advances used in today's society. We provide high-end personal electronic device designed to improve the everyday lives of our customers. With products already in our catalog like the Evoband, ReflectU, and the Flash Note, and newly introduced products as the Speak2you, Lace-NRG, and the pocket printer, EvoTech is assisting customers in everyday tasks. With a product line focused on personal use, our company has the ability to continue to improve lives in all demographics; no matter age, gender, or lifestyle, EvoTech has a product for you.
