Dear whom this may concern,

We are Pink Sand Travel Packs(PSTP); established in Bermuda 2017. We are a private limited company with the aim of saving the earth one pack at a time.

We target our customers of the green sector, frequent flyers, and the on-flight crew. We provide our consumers with our high quality biodegradable packages at an affordable price. Pink Sand Travel Packs produces 100% bamboo based products leaving the consumer with a green experience. We, PSTP, created our bundles to introduce a new way of traveling.

Join us at www.PinkSandTravelPacks.com to save the world one pack at a time "Where Pink is the New Green".
