## SUMMA LETTERHEAD AND COMPANY DESCRIPTION

Summa is a company focused on providing an unmatched culinary experience as well as supporting shelters and organizations that provide food assets to eradicate world hunger. Our company is a subscription service that provides authentic foreign dishes that are shipped right to your doorstep, eliminating the need to spend thousands of dollars on vacations to try foreign dishes. We offer three main product lines of meals, snacks, and a premium box that includes snacks and meals. No box comes with any perishable items such as raw meat, as this is a liability risk that a start-up company like our does not want to assume. We are starting as just an online only store and our company headquarters is located at 1350 Eagle Boulevard in Fort Worth, Texas. Our website was launched on November 1<sup>st</sup>, 2018 with a focus on providing the best online customer service experience possible.
