Arial  
Raleway

Oswald, Arial and Raleway are free fonts that can be used for all of invest documents. Oswald will be used for titles, Raleway and arial can be used for descriptions or texts.

## **Letterhead and Company Description**

InVEst is a stock market founded October 6, 2018 that will list virtual enterprise's companies so people will be able to invest in individual virtual enterprise companies. In 2019 we will be listing the top 50 companies from the virtual enterprise world so individuals can invest into VE companies and learn about the stock market. We utilize revolutionary blockchain technology for all of our transactions. Blockchain is a software that ensures the safety of both our companies and investors. Here at inVEst we always strive to be the new generation of trading.
