Letterhead and Company Description

FitPet
VIRTUAL ENTERPRISE
INTERNATIONAL

Health and safety is a priority in everybody's life, and that should be no different for your pets. We have created a product that can nearly eliminate numerous issues many of our beloved pets have to suffer for no reason at all. We would like to introduce FitPet, a pet collar that can monitor your pet's health and safety. Our collar can track distance, heart rate, calories burned, steps taken, and it even includes a GPS so you always know where your pet is. Our clients' lives will greatly benefit from knowing where their pet is at all times and knowing that the status of their pet's health is accessible and constantly being monitored.

Social Media

The image shows a screenshot of an Instagram profile for 'fitpet vei'. At the top, there is a back arrow, the username 'fitpet vei' with a dropdown arrow, and a hamburger menu icon. Below this is the profile picture, which features a yellow dog and a grey cat sitting together in front of a red heart with the text 'FitPet' and a plus sign. To the right of the profile picture are statistics: '3 posts', '74 followers', and '79 following'. Below these statistics is a button labeled 'Edit Profile'. The bio section starts with the name 'FitPet' in bold, followed by the text: 'FitPet is a virtual Enterprise company based in Lynbrook New York. We sell collars that track all measurements of health for your pet. veinternational.org/'. Below the bio are three icons: a grid for posts, a camera for stories, and a person for activity. The main content area shows a grid of three images: the left one is a dark image with the phone number '16) 612-542' in white text; the middle one shows several people sitting at a desk with laptops in an office setting; the right one shows a group of people in a hallway or office area. At the bottom of the screen is the Instagram navigation bar with icons for home, search, post, activity, and profile.
