# LETTERHEAD & COMPANY DESCRIPTION

Located in Murrieta, California, Safe N' Sound brings discrete personal safety jewelry to everyone. Safe N' Sound is a personal safety jewelry line created for the sole purpose of bringing safety to the general public. Making a phone call when someone feels they are being followed or in danger, can cause the perpetrator to pounce and can lead to even further danger. Our solution is to make it possible for our buyers to stay safe while being discrete.
