Affinity is a top performing VE firm located in Neuqua Valley High School at 2360 95th Street, Naperville, Illinois. Since our inception in 2012, we have had a varied product history ranging from visual to language technology. This year our dedicated and innovative team, led by CEO Josh Chriqui, hopes to engage customers in new experiences through our unique packages. By creating products and putting together others, these bi-weekly packages will help customers immerse themselves in areas such as camping, fitness, technology, and etc. In short, by catering to a wide array of interests and genuinely helping our patrons widen their perspectives, we strive to succeed as a top VEI firm.
