Coustard

Trocchi

Trocchi is a playful font that attracts the consumer's attention.

The subtle yet impactful Coustard will be used for our subheaders.

Playfair Display exhibits professionalism which is what our body will consist of.

# Letterhead/Company Description

BT Enterprises is a clothing company that allows customers to create their own designs through our clothing printing service, Encreora. We offer a wide variety of customization clothing options including shirts, long sleeves, baseball tees, and hoodies. We also offer a multitude of color and font options to suit our clients' demand. Our primary focus is on providing a quick and reliable service at an affordable cost. BT Enterprises introduces an economical and environmentally friendly option to custom-made clothing. Encreora uses recycled material contributed by customers and in turn, they receive a discount for their contribution. Ultimately, our company is committed to the community through our positive actions and impact. With Encreora, you'll be sure to "Dress to Impress"
