Speed- utilizes protein enzymes along with Agent N, to make your molecules start to vibrate and move faster than light

Invisibility- full "cloaking" of body

Strength- muscles peak to three times your muscle strength

Solve fasciculos- this spray will undo the ability given by any of the sprays

Meet Our Employee of the Month:

Cameron Carlson is our employee of the month at Summit. She works as an Administration Specialist and Copyright Director, meaning she is in charge of proofreading and editing official company documents and statements. She participates in the best buddies program at Neuqua, and works at the YMCA.

Holiday Fun:

This holiday season has officially started and Summit employees have big plans ahead. Employees will be traveling nationwide. CEO Darla Andoni, plans on traveling to Washington D.C. Dylan Gramza will be going across the nation to California. Marketing specialist Michael Viola will be making a trip out to Cleveland, OH. Michael Madiol, our design extraordinaire and pasta specialist, is taking a trip to Italy. No matter where our travels take us, we will proudly represent Summit along the way.

Great Lakes Regional Conference & Exhibition:

The Great Lakes Regional Conference & Exhibition will be held in Rosemont, IL. We are excited to reveal a new product of ours, and we hope to increase our sales from the last trade show as well. We will be increasing our prices and attendance in accordance with the new product. See you there!

Business Plan Competition:

This month Summit Corp. has had the amazing opportunity to participate and compete in a local competition at our high school against other Neuqua VEI firms. Summit ended up coming in 1st with our business plan against 5 other Neuqua VEI firms. Great job Summit, keep up the hard work!

Summit Joke of the Newsletter:

Did you know the first French fries weren't actually cooked in France?

-They were cooked in Greece
