Message from the CEO Sarah D:

I am very proud of Cloud 9 Comfort. We have just wrapped up 2018 and it was a very great year for our firm. All of our employees worked hard to get the business started and we were very successful from September through December. We also had a great trade show! We made a ton of sales and received multiple awards. I am confident that Cloud 9 Comfort will continue to thrive in 2019 and I will do my best as CEO to help ensure that happens! I'm also very excited that we will be releasing our new "Campus" line and I hope it will be a success.

COMPANY UPDATE:

How the comfiest company was created

As a new company, we split into 4 different groups. Each group presented their brainstormed ideas of a new company. There were companies that involved food, companies for pets. However, the winning company was created by our HR, CEO, and CMO (Addie, Leanna, and Sarah).
