Events & Competitions

Entrepreneurship and Leadership Conference

Non-VE Sales:

In November, we attended the annual Roy C. Ketcham College Fair, met with students, sold shares to 74 people, and made an estimate of \$331,000 in sales.

LIU Post Trade Fair:

In January, we connected with and made sales to other companies, firms, and individuals. We learned how to negotiate deals in a limited time.

NYC Trade Fair

We plan to attend this in April and improve on the connections and sales that our company has made thus far.

Business Plan Competition

Our written business plan won 1st place out of the 14 firms that we competed against. At Mt. Saint Vincent's College, we presented the company's business plan, won 1st place in the preliminary round, and won 5th place in the final round.

Video Commercial

We are in the process of creating a video commercial to promote our business, services, and products to the VE world.

Message from the CEO

“I could not be more proud of the progress that our employees have made in the first year of operations at OneSource. Each and every one of you have put in commendable work to ensure that the upbringing of this company was a success. There is plenty of work to be done, however, I am confident that based on the efforts thus far, this company can only improve and prosper. I hope that we can keep up the hard work to increase our brand recognition and expand our product line for the future.”

-Armin Kermani CEO

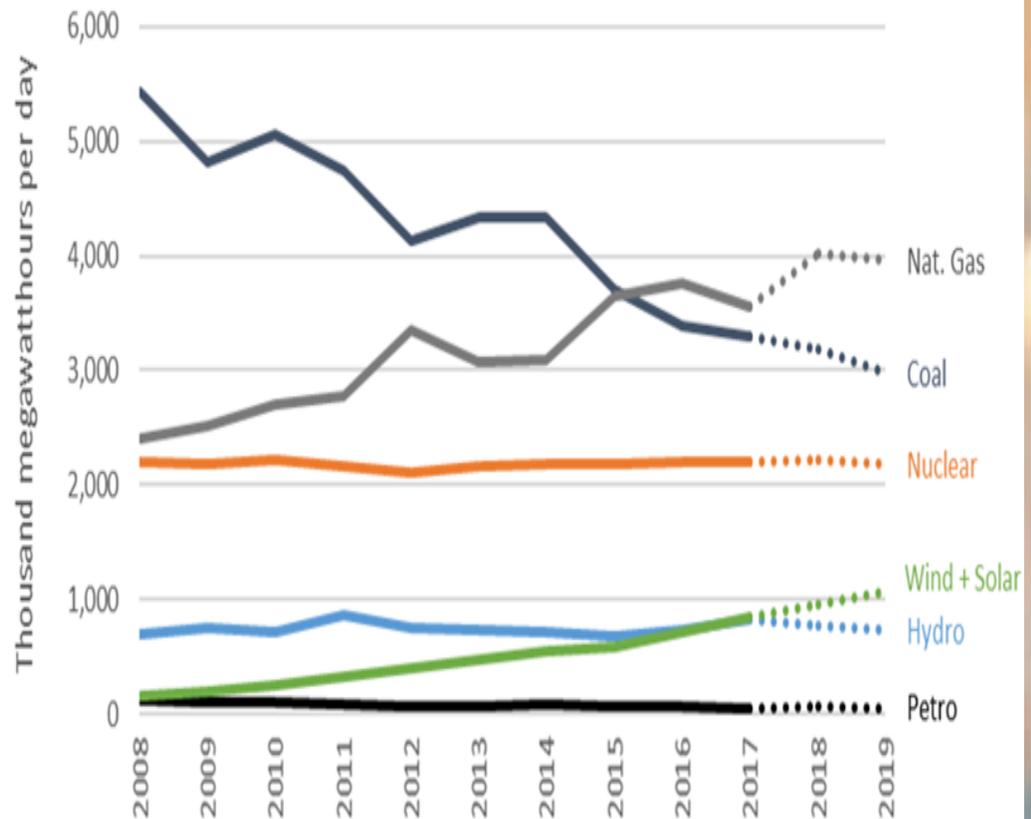

Words from the HR Department

“It has been a rewarding experience being part of the OneSource company and showing off our company’s success at the trade shows we have participated in the past and will be participating in the future.” -Tony Burgos

Employee of the Month - January

“It is a honor to be chosen to be the Employee Of The Month for the month of January. I’d like to thank the CEO, the CMO, and the COO for believing in me. I am beyond blessed to be employed here at OneSource. I’d like to think that working here has changed my life for the better. I’m thankful for the opportunity that i’ve been given. Working here is genuinely great, I love the camaraderie and the atmosphere. Everyone here cherishes the opportunity to work for a company that strives to deliver the best services at the lowest prices.” - Brian Pedrozo (VP of Sales)

Renewables on the Rise!

There are more than 15 GW of utility scale wind and solar trying to become operational in 2019. If federal tax credits become permanent, it would allow customers to earn a little savings on their federal tax returns. As a company we offer Natural Gas and hope to offer renewable resources, in the future as we grow our company, giving us an advance to market to these individuals and create a larger customer list. This is the direction we
