

# BEE...at ease

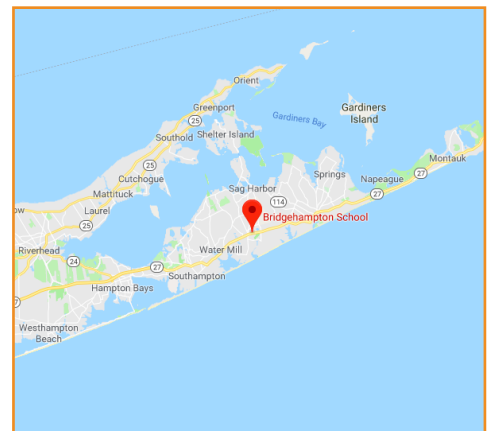

## MISSION STATEMENT

We are BEE..at ease, a hive devoted to keeping your stress at zero. BEE...at ease aims to be a leader in relieving mental stress through our affordable and unique products and services. We value our customer's satisfaction and health to the highest degree.

## LOCATION

BEE...at ease is based in Bridgehampton, NY. We are the smallest public school in Suffolk County with only 210 students from Pre-K to 12th grade. Our school has a student run farm stand. Where we get our herbs to make essential oils, for our kits.

# MEET THE TEAM

James Fairchild is CEO of BEE...at ease. He is highly motivated, task oriented and has very lofty aspirations.

Zoe Lucas is the Human Resources Officer of BEE...at ease. She is hard-working, considerate, and thoughtful.

Julian Cheng is the head of Accounting at BEE...at ease. He is an intellect who is selective about where he will spend time and research.

Olivia Cassone is head of Marketing at BEE...at ease. She is energetic, hard-working, and determined.

## ABOUT OUR BOX

Are you sick of being stressed at school, at work, and in your house? Well our Original Package is perfect for you! Try our Original Package! The BEE...at ease Original Package contains 3 standard stress toys, 2 tea packets, 2 coffee packets, a coloring book with colored pencils, an assortment of honey chocolates, 2-5ml of essential oils, and our signature Squeezy the Bee.

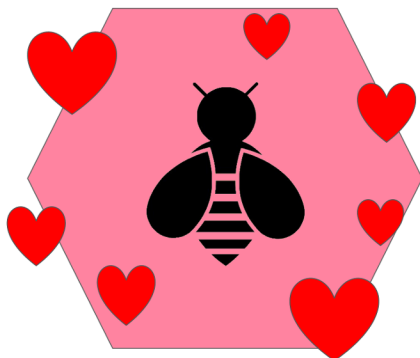

## Zoe Lucas is January's Employee of the Month!

Zoe is our head of Human Resources, successfully completing her given tasks and making sure that the rest of us stay on topic. At our second trade show at LIU Post, Zoe stepped up and made more than double the amount of sales than in the first trade show.

Congratulation to Zoe, and thank you for all you do for BEE...at ease!

Visit our website. We have created the perfect package for your significant other. Our package will take away your worries on Valentine's Day.
