# About Our Company and Our Mission

## Our Company:

A1 Drive International was founded in October 2018 as a C corporation with 17 dedicated employees. We are located in the heart of Brooklyn, NY, and are in tune with the needs and wants of New York City drivers.

## Our Mission:

A1 Drive International offers a simple online interface for anyone looking to lease an affordable car in just a few clicks. We value transparency in numbers and strive to earn the trust of our customers.

Words from  
the CEO:  
*Paula Antar*

As a team we have grown into educated business men and women, and we look forward to we taking these skills to our future careers.

Since the beginning of the year, the team has shown nothing but determination and motivation and I can't wait to finish off the year with great success!!
