# San Diego Trade Show

The San Diego trade show was our most successful trade show. We received four gold awards, two silver, and one bronze. This experience definitely allowed us to bond as a team, as well as gaining a learning experience.

## Charity Concert

Because we are a radio company, our main goal has always been to expose small artists allowing them to build an audience, and followers. Which is why we will be hosting, and sponsoring a concert at Mount Miguel High School.

## San Francisco Trade Show

March 16th- March 19th
