VORUNA

Letterhead and Description

VARUNA

Varuna is a sustainable water bottle company that utilizes the power of UV technology to provide people the confidence to drink safely. Varuna continuously strives toward a cleaner, healthier, and brighter future. We are a water bottle company that strives to provide a healthier, cleaner drinking experience. We partner with DigDeep, and Charity: Water, to help bring clean water to people without access to it. We provide a self-cleaning bottle so you don't have to.
