Solstick is a dedicated company that manufactures and distributes solar-powered GPS tracking stickers. Customers will be able to use Solstick on any item, being convenient especially when items are lost, to decrease the amount of time a customer would be originally looking for the item. The purpose of Solstick is to make customer's lives easier and constantly track their valuables. Each sticker is provided with a unique code that can be registered through our Solstick app. Through using the app, customers can record locations and monitor multiple items are once, on any device. the app is available on the Apple App Store, Google Play Store and can also be accessed through our website.
