Letterhead and Company Description

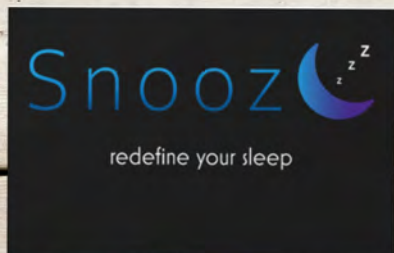

Everyone knows what it is like to not get a good night's sleep which is just one of the many reasons why we created Snooz³. We are a team of high school students who know what it is like to struggle to fall asleep. Innovation and modern technology has allowed us to develop special insertable pods capable of different features. Our product will help you get the sleep you want and deserve. With a portion of our "real profits" being donated to the "March of Dimes" with the intent of helping fund research for premature babies who have a better chance of thriving with therapeutic assistance similar to our company's mission to redefine your sleep.
