Company Description

Millennium is a company that: Provides customers with the service of personalized clothing services, as well as subscriptions to receive daily notification for sales and special offers; the subscriptions will present the customer with different styles from clothing. We provide customers with the option to subscribe quarterly, semiannually, or annually. Customers submit a questionnaire to get subscriptions. Customers can also purchase individual outfits for any occasion. No matter your style, here at Millennium we're always ready to assist you!
