Letterhead and Company Description

Pinpoint™ is a company that utilizes state-of-the-art tracking technology to create location-tracking stickers of unique aesthetic looks for individuals of all ages. Losing belongings is a universal problem, and Pinpoint aspires to aid everyone and anyone in repossession and maintaining the security of their valuables in a very discreet manner. With stickers of battery lives ranging from one day to one year and with dozens of customizable options, we will stick with any individual that sticks with us. We cater to teenagers, adults, and the elderly nationwide and are utilizing efforts to expand our reach globally.
