Merriweather and lobster will be used as our company fonts, Lobster will be used for headers, titles and call-outs. Merriweather is used for larger bodies of text.

Letterhead and Company Description

Vegan Lips is an ethical vegan lip scrub company. We are a cruelty-free company. Our mission is to provide the consumer with a sugar scrub for their lips which will enhance and give the user's lips a softer and fuller lips. We also provide a line of ethical products that are chemical free. We are a liberal open minded company hoping to sell as much as possible while at the same time sending a message and satisfy consumer needs.
