To whom it may concern,

Our company "TeaTreat" is a subscription service that offers tea and tea-based products and takes part in fair trade practices. We will offer multiple flavors and custom tea blends and tea-based products such as tea masks, tea soaps, tea bubble bath and more. There are certain convenience, customization, health and beauty needs we can satisfy with our products. There is a need for convenient, reasonably priced tea. We offer tea that is custom made for the customer and comes directly to their door.

Sincerely,

Kevin Ward

Vice President of Design/IT
