CHI is a B-Corporation founded in Hewlett, New York in 2017. We are a nutrition company, selling a healthy and delicious smoothie mix. Our smoothie mix is Non-GMO, Vegan, Gluten Free, Kosher and Organic. Here at CHI our goal is to eliminate hunger. We are doing this by redefining BOGO. Usually it means buy one get one however, here at CHI when you buy a smoothie we give a meal to someone in need. We donate meals to “Rise Against Hunger”, a charity with the goal of ending hunger within our generation, and we also donate 5% of our profits to “Share our Strength” who shares the same goal. We as a B-Corporation hope to end hunger today, and tomorrow.
