**Fresh Direct is a gourmet food delivery service that promotes convenience for a variety of families and assures wholesome ingredients that you can see upon delivery. Our company brings packages of fresh ingredients, directly to your door, so that customers can feel confident that they are preparing nutritious meals, from scratch, with ease. Our various packages can help you plan a party, special event or delicious meal any day of the week with clear instructions and delicious options. Purchasing Fresh Direct saves time for busy customers, allows them to enjoy the activity of preparing their own food and even includes decoration options perfect for any event. We sell an experience, delicious food and time conscious prep is a bonus!**
