COMPANY OVERVIEW

Stop, Drop and Pop is located at New Dorp High school on 465 New Dorp Lane, Staten Island, New York. Stop, Drop and Pop was established on October 10th 2017 as a C-Corporation. This is the company's first year as a corporation and aims to be the leading snack vendor in the Virtual Enterprise community. Stop, Drop and Pop aims to be the leading snack vendor as well as being able to provide affordable products that are allergy friendly and work for any type of diet. We wish to reach a very diverse group of customers as well as expand our business by opening up brick and mortar locations inside and outside of the United States in the future. We aim to achieve these goals by appropriately managing our online sales as well as using social media and significant advertisement to increase sales.
