In the Community

O'Ship Me is a community oriented company. We focus our service back to our local schools. In October of 2017, O'Ship Me took the special needs kids from East Wake High School to the NC State Fair. It was a chilly day, but the kids were warmed with excitement. Also in October of 2017 O'Ship Me helped at the JDRF Walk. At this event, we were stationed at the hair spray station, participants and their families stopped by our energy filled tint to get a colorful new hairstyle to

put them in the running spirit. Later that day, O'Ship Me then moved to the food station. Our small team of 9 managed to prep & serve THOUSANDS of participants. O'Ship Me is starting 2018 off with a handful of joy ready to spread to our community.

Partnerships Wanted

Being that O'Ship Me is a second-year company we are seeking a partnership with you. This can be a mutual partnership with your company and O'Ship Me. To partner with O'Ship Me you do not have to be a logistic or transportation company. If you have product(s) that have been purchased by your customers, but you have no way to get those products shipped out, partnering with O'Ship Me is

the best bet for your company. If your company is having a dinner and you need to rent a way of transportation O'Ship also has event services that will take care of getting your company to and from your event safely.

Please contact us to start your partnership with O'Ship Me.
